In a graduating class, as in any organization, there must be a person with the power and ability to make things run efficiently leading the class. The June, 1949 class had no trouble electing their president. Dave Ostrem, a born leader with a pleasant disposition and friendly attitude, was the unanimous choice.

Filling the office of Vice President is Bill Collings, a capable fellow and deserving of the honor. A possessor of the "gift of gab," Bill is right at home with the many speeches he is required to make while serving as Vice President.

Future Growth

He who doubts the future doubts the past
And beaten is before the struggle starts.
Tomorrow is the field for fighting hearts,
A scene unlighted now but wide and vast,
Where men in splendid roles shall soon be cast
And boys today shall rise to noble parts.
Many remember when men rode in carts
And fancied ten miles to the hour was moving fast.

Tomorrow holds adventure for us all,
Where now we see but dimly skies shall clear.
No man can tell what next old fact shall fall
Nor what discovery mark the coming year,
But from the past this truth we can recall:
Growth and achievement mark men's journey here.

Sports Review for 1948-1949

SPORTS

Looking back over the past year in the field of sports, we find that the athletic teams of Lincoln high have had average or better seasons. Starting out in the fall the football team won 6, lost 1 and tied 1. They won the South Central Championship, beating Indianola the last game. After putting the old pig-skin away the boys put on their basketball suits and had a very fine first semester record. The swimming team had an average season but most of the boys who made the average season will be back to make next season a better one. As of the time this was written the baseball, track, tennis and golf teams were doing very well and should have good seasons. To the coaches and boys who have won these outstanding honors we take off our hats and hope that the boys who will be back for more athletics have the best of luck.

TRACK

Coach Graaff, one of the mainstays around Lincoln, heaps praise upon his experienced Cindermen, who participated in nine meets this season.

The team was stabilized by two boys who have won three letters. Virgil Moore, star distance man, and Jerry Mills, sprint and field man. The majority of the points were massed by these boys.

Other men graduating before next season are: Bill Collings, Harold Cable, Sam Caliguri, Bill Hildreth, Carl Haaland, Cecil Calvert, Morris Harvey, Charles Hildreth, Dick Mortoza, and Carl Parmenter.

BASKETBALL

The opening of the basketball season found Coach Bruce Gardner with four returning lettermen. They were: Dean Trent, Francis Riggle, Jerry Hoffa, mid-season graduates, and Dick Ruston who was elected honorary captain.

LINCOLN'S COACHES—from left to right, front row: Talarico, Heintz, Graaff, and Ebers.
Back row: Berry, Morgenthaler, Smith and Gardner.

These, with the help of new boys, Bill Fisher, Dave Ostrem, Sam Caliguri, Bob Duede, Francis Debolt, and Jim Silcott, proceeded to win 6 and lose 2 during the first half of the season. After mid-year graduation, the team managed to win only one game.

Coach Gardner is looking forward to next year with four returning lettermen and fine material coming up from the second team, which, under the direction of Coach Frank Talarico, had a very fine season.

BASEBALL

As the 1949 Baseball season opened, Wayne Heitz, the Abes new diamond mentor, was looking toward the future and next year. With only four returning lettermen the 1949 season was doubtful.

The returning lettermen were: Bob Gale, pitcher; Bud Huston, shortstop; Bob Duede, second baseman, and Gene Riley, a third baseman. The boys have a lot of spirit and enthusiasm, though, and with pitching and a little hitting they should be able to hold their own.

TENNIS

Up to the time of this writing the Boys and Girls tennis teams haven't engaged in any matches for the spring season, although Miss Ebers predicts a pretty fair season for her racketeers.

F. D. Sprinkle is the only boys letter winner. There are four other boys out for tennis this year. The most out for boys tennis for several years.

JoAnn MacRae, senior letter winner, Rosalind Pomerantz, Roberta Kyar, Patty James, letter winner, and Shirley Rosky, who play doubles, make up the first five places on the girls team. There are eight girls battling for three other positions.

GOLF

So far this season the golf team has won every match except Roosevelt. The first six men are Don Skelton, Dave Mills, LaVerne Smith, Wayne Pritchard, Ray Russell, and Ted Newton. All six will be back to play in the fall city meet. The way the rest of the teams are shaping up, the Lincoln High Hackers should come out on top.

BASKETBALL —Front row, left to right: Qujano, Riley, Ostrem, Fisher, Silcott, Witter, DeBolt, Duede, Caliguri. Middle row, left to right: Phillips, C. Hildreth, Flatt, Hall, Weber, Shelhammer, Gustafson, Ruston, McCullough. Back row, left to right: Gardner, Owen, Rowland, Madison, Flaherty, Wagner, Baker, Short, Anderson, Talarico.

GOLF —Standing, left to right: Stewart, Henderson, Crouch, Newton, Skelton, Parks, Morgenthaler, Jansen, Oliphant, Brose, Allen. Kneeling, left to right: Mills, Smith, Russell, Pritchard, Largent, Abrahamson, Hall, McClelland.

BASEBALL—Front row, left to right: Berry, Adams, Cruchlow, Baker, Hall, J. Ruston, Ostrom, Glew, Riley, R. Ruston, Phillips. Second row, left to right: Minks, McCaughey, Ahlberg, Draper, Witter, Kirk, DeBolt, Duede, Gale, Wallace. Third row, left to right: Heintz, Kauggman, Knight, Townsend, Kieler, Mettelle, Fisher, Robbins, Sparks, Webber, Flatt. Back row, left to right: Sandstrom, Deardon, Horton, Blunck, Brown, Stader, Gustafson, Joss, Kyar, Smith, Stull, Trissell.

Dick Horton

TRACK—Front row, left to right: McLean, Robinson, Morozza, Powell, Caliguri, Mills, Morris, Shelhammer, Silcott. Second row, left to right: Butzbach, Richards, Haaland, Scovel, Crist, Harvey, McCullough, Anderson, Ortega. Third row, left to right: Calvert, Gray, Parmenter, Short, Gale, Bird, Rivera. Back row, left to right: Graaff, Moore, Wagner, Hodgson, C. Hildreth, Flaherty, Flatt, Gable, W. Hildreth.

Fourth row, left to right: Howell, Close, Corcorn, Fisher, Hancock, Adamson, Irving, Cunningham, Hiatt, King, Skelton. Fifth row, left to right: Kyar, Tallant, S. Senior Memories

It happened one balmy evening in the year 1960. While sitting around reminiscing about our high school days, we began wondering what the members of the class of June, '49 were doing now. We decided to go see Swami, the Great Philosopher. Arriving at Swami's place we were seated around a television set and Swami turned the dial to N.B.C., now owned and operated by Mary Jean Bellizzi.

First on the program was "The Doctors Talk It Over." The guest speakers were Pat Fallis, Brain Surgeon; Marfiso Leo, Surgeon; F. D. Sprinkle, General Practitioner; John Romstad,

These two Lincoln grads found careers at Merediths

You probably remember VIRGINIA FAZIO and WAYNE DUEDE of the class of '48. Only a few months ago they were putting the finishing touches on their high school educations. Maybe they were sitting next to you in some of your classes.

Now Wayne works in the Meredith Publishing Company press room. He's beginning a career that will mean a lifetime job in the printing crafts. Wayne plays an important part in the production of more than 4,400,000 copies of Successful Farming and Better Homes & Gardens magazines each month.

Virginia chose clerical work to begin her career. She works in the Accounting Department at Meredith's. This is only one of many interesting jobs available to high school graduates.

Whatever your job preference contact our Personnel Department.

A visit with us will help you solve your individual career problem — and start you on the road to lifetime success. Our interviewers will help you find the position for which you are best suited and in which

you'll be most happy. You'll enjoy working at Meredith's where you have all the benefits of group life and health insurance, modern cafeteria and lounge, excellent working conditions and a five-day week.
